Infrastructure Plan

Our Infrastructure Plan has been developed by the Facilities Advisory Group in conjunction with the Cairns Hockey Association (CHA) Board and the General Manager – Operations. This Infrastructure Plan forms part of the Strategic Plan 2021 – 2024 (adopted April 2021) and is consistent with the following elements of the Strategic Plan:-

Strategic Priority

"Build Hockey through Quality Facilities and Infrastructure to meet whole of Hockey needs."

Objective

"1.1 Develop Quality Facilities to support the identified key strategic priorities."

The recommended actions within the Infrastructure Plan are intentionally challenging and ambitious to reflect the intent of the CHA to build, grow, develop and deliver Hockey for everyone in the Cairns Region.

To see our revised Infrastructure Plan 2021 - 2024, visit our website; cairnshockey.com.au > Resources > About us.

CELEBRATE & SUPPORT HOCKEY

- Strengthen partnerships.
- Showcase events.
- Drive the social development outcomes.
- Embrace safe spaces, new innovations.

Play Hockey Plan Delivered

20% sustained increase in participation by 2024

80% member approval rating by 2024

Leading Performance Pathways program in Queensland.

Business Plan Outcomes delivered.

Hosting min 2 high profile hockey events annually.

Increase Non Member Revenue 30% by 2024

Celebrating and Advancing new Cairns Aspire Program

STRATEGIC PLAN 2021-2024

From the President

Cairns Hockey had a successful year in 2021 despite still navigating through the COVID pandemic landscape. Our membership numbers increased, and we were able to deliver a full season competition. We delivered three key events and continued to deliver hockey programs all year round.

Cairns Hockey developed and delivered our Strategic Plan 2021-2024 in consultation and collaboration with our members, clubs, staff, and stakeholders. Cairns Hockey developed our Infrastructure and Play Hockey Plan, the blueprints to deliver outcomes from our Strategic Plan.

Cairns Hockey continued to successfully deliver our Aspire to be Deadly program to the Far North QLD region community and its stakeholders.

I would like to thank our club committees, advisory groups, Cairns Hockey employees and my fellow board members for your tireless work in 2021. We appreciate the commitment you provide to our association to ensure its positive success.

John Watts
President

From the Finance Director

I am pleased to present the 2021 financial report on behalf of Cairns Hockey Association. Financially, we are still feeling the impact of COVID-19, but I am happy to say that we are in a very sound financial position thanks to the efforts of our General Manager, Kym McPhee-Smith.

We made some changes to our fee structure in 2021 and were able to offer our members an all-inclusive membership fee which has been generally well received. We are looking to continue with this offering in 2022.

We also know that some of our members are still doing it tough financially, and we are working very hard behind the scenes to keep fees as low as possible for 2022. We have some exciting changes planned for 2022 which will not only provide a refresh to our existing members but will hopefully entice some new members as well!

I'd like to thank my fellow Board members for their support this year, along with all the Cairns Hockey staff who are always extremely supportive of me in my role.

Wishing all members, a merry Christmas and I look forward to seeing everyone again in 2022.

Cheryl Overlack
Director of Finance

From the General Manager

Cairns Hockey had a positive year delivering many successful events, programs and competitions. This success was thanks to our hard-working clubs, employees, board and volunteers. Cairns Hockey is extremely fortunate to have so many valuable people working together for the benefit of hockey in Cairns. Cairns Hockey developed and delivered their new strategic plan that outlines five key priorities. Upon review of the 2021 year, I address the below achievements within those priorities.

Priority 1 Build Hockey

Cairns Hockey in collaboration with the infrastructure advisory group developed the Cairns Hockey Infrastructure plan. Thank you to Nick Hardy and the Infrastructure team for all their hard work. Cairns Hockey presented the infrastructure plan and key priorities to Cairns Regional Council, State government and Federal Government. Cairns Hockey developed a maintenance management plan and are in the process of developing the hockey regional plan. Cairns Hockey's facility requires constant maintenance and in 2021 we were required to replace 14 lights on the turfs, with a huge thank you to Mark Fry and NQEA for your great assistance. Cairns Hockey renovated the grandstands, tree's removed, fencing upgrade, addressed numerous plumbing leaks, replaced a multitrope in the water tanks, installed security cameras, upgraded the PA system and purchased a new ride on mower. Thank you to Ray Bolton and the facilities team for your maintenance efforts and ensuring our facility was capable and ready to deliver our events.

Priority 2 Play Hockey

Cairns Hockey operations team have developed the Play hockey plan that will drive successful outcomes to achieve our strategic objectives. Cairns Hockey also delivered our Hookin2hockey programs at 34 Cairns schools and developed school to club hockey programs. We developed and delivered 2 school carnivals, The BDO Primary and Secondary carnivals. These carnivals were a great success with 33 teams playing in the primary carnival and 14 teams in the secondary carnival. We had 150 participants engage in the hockey holiday programs in April and July. We had an increase in junior participation numbers in 2021 and this was reflective of the Play Hockey plan focus on junior recruitment and the motivation of Mili Arrotea and our Junior advisory group. Thank you to Karen and the Junior Advisory Group team for your hard work and support of Cairns Hockey junior program. Thank you to Mikala Duda and Saints Hockey club for supporting our Southside junior program at Pezzutti Park.

A little bittersweet in 2021 as we farewell our development officer Mili Arrotea. Mili and her partner are off to live in Tasmania. Mili has been an extremely valuable team member of Cairns Hockey and we will miss her. We wish her and Richard all the best for the future. Cairns Hockey will welcome a new development officer, Keegan Popowski. Keegan will join Cairns Hockey from 17th January 2022. He is from Tasmania and is passionate about hockey having played since he was 5 years old. He has a Health and Physical education degree and a graduate certificate in sports management. He is a level 2 hockey coach and has great experience coaching juniors and seniors. We look forward to welcoming Keegan to the CHA team. Cairns Hockey Development and performance programs were delivered to over 550 participants. 286 players participated in the Cairns Hockey representative programs for both outdoor and indoor hockey. Thank you to all the wonderful and dedicated, coaches, managers, umpires and technical officials that volunteered their time to support our representative program and players. We cannot deliver this program without your support. Thank you to Glen Seivers and the performance and pathways advisory group, and Tanya Findlay and the officiating advisory group for your hard work in 2021. Thank you to our CHA Representative program sponsors Smartline - Michele Annison, James Cook University and NQEA-Mark Fry. A huge thank you to our gold sponsor Hockey World, Sam, Terry and Jacqui for ensuring the Hockey World shop was open and serviced at every opportunity possible for our members.

Wynand Volschenk joined Cairns Hockey in August 2021 as the Hockey Performance and Game Service manager and since his arrival he has hit the ground running. He ensured the successful delivery of the outdoor winter season competition and the indoor hockey season competition. He worked closely with Janice Noonan, Terry Brodin and the competition advisory group and Rhylee Pendrigh and the indoor advisory group. Thank you to all the members of our Cairns Hockey advisory groups. You all work extremely hard throughout the year to support CHA operations team and our members. Our Indoor hockey season was delivered at two locations with a southside, and CBD location offered. Cairns Hockey will offer an Indoor Season at the start of the year in 2022, all information has been shared with our members and on our social media platforms. Wynand is in the process of delivering our CHA Academy programs with the Blue and Gold Academies to further develop athletes and prepare our Hockey QLD squad athletes. These academies will continue in the off season and through to February 2022. The All Stars is also being promoted for delivery in January 2022, after the great success of the competition in 2021 (160 players involved). Cairns Hockey welcomed three sponsors on board, and we thank Jake Simonis Fencing, Lane Orthodontics, and The Cotton Club for their continued support of the All Stars. Our officiating advisory group developed and delivered the umpire/officiating academy program that saw good outcomes with many umpires and technical officials being accredited and mentored. Many of these volunteers supported Cairns Hockey and our representative programs by travelling away to umpire and tech officiate. Cairns Hockey six a side was played all year with over 30 teams in term 1 and 4 and 8-10 teams in terms 2 and 3. This opportunity was provided for players that could not participate in the traditional winter season competition and allowed them to still be engaged and play hockey.

Priority 3 Lead Hockey

Cairns Hockey in consultation with our members, clubs, board, employees and stakeholders, developed and delivered our new Strategic Plan 2021-2024. Cairns Hockey operational plan is in draft phase to be finalised by early 2022. Cairns Hockey board redrafted the Constitution. This has been presented to the clubs and members for adoption at the next AGM January 20th, 2022. CHA operations team, advisory groups and the board have worked hard to develop the Infrastructure and Play hockey plans to drive successful outcomes to achieve the objectives outlined in our strategic plan.

Cairns Hockey is in a financially strong position. Cairns Hockey obtained grants to support infrastructure development and facility maintenance. Cairns Hockey also welcomed 6 new sponsors on board in 2021. Cairns Hockey operations upgraded their website and improved their communication platforms. This is a space we will focus on in 2022 to improve communications with our members and stakeholders. In 2021 we introduced a new payment gateway option for registration fees. This was developed to support the clubs by reducing the workload and responsibility for club treasurers.

The implementation and development of the Hockey Performance and Game Committee (HPGS Committee) which included the Club presidents, a club plus 1, and the chairs of the advisory groups worked well to ensure the successful efficiency of communication. Thank you to our club presidents, Paul Dennis, Vicki Sparkes, Kate Borger and John Winkle for leading your club committees and your commitment in 2021. A special thank you to both Paul and Kate as they will finish their tenure as club presidents. You have both been a real pleasure to work with. Thank you to the Cairns Hockey Board, John Watts (President), Sonja Noonan (Vice- President), Michele Annison (Secretary), Cheryl Overlack (Finance Director) and Gary Smith for your leadership of Cairns Hockey. The strategic direction of Cairns Hockey is strong, positive and inclusive.

Priority 4 Celebrate Hockey

Cairns Hockey in 2021 successfully delivered many events. We hosted and delivered:

- Great Barrier Reef Masters
- Open School Boys championships
- 60's master's Carnival
- Cairns Hockey winter season presentation night
- Annual Rene Archer Indigenous Round

A huge thank you to the CHA operations team, Aspire to be deadly team, Clubs and Cairns Hockey volunteers for your support and hard work to deliver these events. We received great feedback from all events, and it was from this success we were able to secure the two national events for 2022. Cairns Hockey in 2022 will host and deliver:

- U18 Male and Female National championships (11-day event) in April 2022
- Masters Women National Championships (12-day event) in September 2022

Priority 5 Support Hockey

Cairns Hockey successfully delivered the Aspire to be deadly program to over 30 schools from Thursday Island, in Cape York and the gulf and throughout Cairns. The Aspire to be deadly team worked tirelessly to deliver the program to our schools to promote healthy outcomes with our lead well, live well and learn well empowerment program. The collaboration of the aspire to be deadly program with our clubs is positive and strong. The success of the program and its positive outcomes is due to the hard work of Julie McNeil, Wes Ferns and the aspire to be deadly team. Cairns Hockey operations teams was proud to support the Aspire to be deadly team throughout 2021 and we are excited for the future outcomes this program will deliver in 2022-2023.

Cairns Hockey welcomed our office manager Jodie Dennis. Jodie is a professional and her skills will be a great asset to the Cairns Hockey team. I would like to finish by thanking the board, club committees, advisory groups, coaches, managers, umpires, technical officials, stakeholders, sponsors, volunteers, members and Cairns Hockey employees. Cairns Hockey successful outcomes cannot be achieved without the collaboration, unity and support of each and everyone of you. 2021 was an eventful and successful year.

Thank you,
Kym McPhee-Smith

General Manager, Cairns Hockey Association

Aspire To Be Deadly

One of the key strategic pillars within the Cairns Hockey Strategic Plan identifies high level of community engagement and social responsibility through Cairns Hockey community and our marquee program in this landscape is Aspire to be Deadly and it is designed to use hockey as a vehicle to drive positive social change.

The model program links participation with Live Well Learn Well Lead Well - education, well-being and leadership programs and identifies hockey as a gender equal, inclusive, and culturally safe program. Unlike mainstream participation programs, recruiting players into club is not the program's primary consideration but it has been very pleasing to report in 2021 that indigenous club membership is increasing and the strengthening of communication and awareness within the clubs and Aspire to be Deadly drives this positive outcome. Cairns Hockey began developing Aspire to be Deadly in 2015 well before the challenges of the COVID19 focused world but the pandemic has shown the importance sport plays in a community recovery. Aspire to be Deadly plays the role supporting inclusion, engagement, connectivity in repairing some of the torn social fabric caused by COVID19.

Cairns Hockey Aspire to be Deadly is supported through Commonwealth Government NIAA and has built strong and diverse community partnerships to reinforce the importance of a holistic and inclusive approach in the modified delivery of hockey activities and supporting across Torres Strait, Cape York, Gulf Savannah and Cairns and Tableland regions. Aspire to be Deadly engages at risk and vulnerable indigenous young women and girls in disadvantaged environments and looks to engage with school, support agencies, hockey clubs, partners and sponsors, and family to provide a program that builds self-worth, builds self-confidence, provides tools to support positive decision-making, and challenges the participants to increase school attendance, reduce anti-social behavior, make better well-being choices, and encourages participants to become leaders.

HIGHLIGHTS IN 2021

- The Aspire Schools Program was delivered into 25 primary school programs and 5 Secondary Campuses across Cairns, Cape York, Torres Strait Islands and Gulf Savannah regions during 2021.
- Actively supporting 5 secondary schools Grade 7,8 and 9 transition programs across the identified remote and regional regions with a total 85 students in these transition program of which 76 are indigenous.
- National curriculum aligned programs using Aspire supported resources continue being delivered with significant success in remote and regional communities.
- Continue to advance and strength collaborations and partnerships with additional well-being and leadership partners coming on board. Cape York Girls Academy is a new partner in Deadly 5's as well as the Empower Me Program.
- Through the Aspire to be Deadly Program, over 3000 indigenous young people and families from grades 3-9 across Primary and Secondary Schools were introduced to, participated in, and were mentored as part of in support of the LIVE WELL LEARN WELL LEAD WELL Programs. These programs were delivered across a region larger than the combined are of Victoria/Tasmania and ACT.
- 4 additional community collaborations delivering education/training/mentoring and participation.
- Over 38 indigenous young people including 31 indigenous young women and girls participated in the integrated SCHOOL TO CLUB Program offered through Aspire and these young people and their families played mainstream club hockey and summer 6's.
- 31 indigenous young women were supported through the Aspire indigenous mentor program and linked with the Aspire Schools Learning Resource, workshops, transport support and the availability of the Aspire Hockey Hub and Yarning Place.
- Community Support continues as does the ongoing engagement with family. Over 73% of these parents and supporters actively supporting the young women and girls are female.
- Delivered pathway performance program support with 20 Aspire Schools participants attending representative school hockey trials with 7 Aspire students being selected in regional teams across all identified regions.

- Developing ACE – Aspire Centre Excellence (Hockey Program) for delivery in Term 4 including workshops, specialised coaching skills and game sciences, strategies, and performance as part of a Cairns Hockey collaboration and support to grade 7 and 8 transition support. Collaborated with supportive coaches to align with program needs.
- Delivered 3 team building workshops, mental health support programs and healthy habits program incorporating nutrition, hygiene, and well-being habits for life.
- Delivery of inaugural Rene Archer Indigenous Round and community support. Strong feedback and confirmation this will become an annual event.
- Delivered a new and improved Gulf Savannah Hockey Program producing strong outcomes around all aspects of LIVE WELL LEARN WELL LEAD WELL.
- Delivered 2 remote communities Hockey Carnival modified to meet COVID 19 restrictions. This program was embraced by the community.
- Delivery Deadly 5's event aligning with NAIDOC in June 2021.
- Developing digital education and support platforms across remote and regional school delivery to support ASPIRE SCHOOLS LIVE WELL LEARN WELL LEAD WELL.
- Live Well Learn Well Lead Well Mentor and Support Program delivered by Olympians Savannah Fitzpatrick and Tim Howard.

Cairns Hockey has strengthened its relationship with Oceania Hockey through the Hook in4 Health Program delivered by Aspire to be Deadly, increased its engagement with Hockey Australia across indigenous program support and has been recognized through FIH as a leading sport for development program.

Everything mentioned above is due to the hard working Aspire to be Deadly Team. Julie McNeil leads the team comprising Wes Ferns, Jess Fatnowna, Sawadu Tabuai, David McNeil and Stephanie Bonel and supported by Lisa Fatnowna, Sarah and Bella Cochran and Carleah Flinders. Aspires' success is because the team works. Thanks to everyone in the team and thank you to our partners, schools, sponsors, clubs and volunteers, because we know and appreciate that it takes a village.

Planning is underway for an exciting 2022.
The Aspire to be Deadly Team

Performance & Representative Teams

Pathway and Performance Annual Report

2021 was a big year with 253 athletes representing Cairns during outdoor State Championships and 35 athletes representing Cairns with indoor State Championships. A big thank you to all coaches, managers, selectors, and parents for making the 2021 Representative season a massive success.

#REPRESENT ACADEMY

October 2021 saw the return of the Cairns Hockey academy rebranded to #REPRESENT ACADEMY. The academy follows a two stream pathway being the Blue Development and the Gold Performance academies.

The Blue academy is designed to help improve players within the Cairns region to better their skills and game awareness and to #REPRESENT Cairns Hockey to the best of their ability. This academy aims to both increase Cairns Hockey competitiveness at State Championships but also help improve the ability of players to be selected into QLD squads after State Championships. A total of 52 athletes are currently involved in the Blue academy.

The Gold academy is designed to bridge the gap for identified athletes to make the step up into Hockey Queensland teams. This academy is designed to help prepare the athletes for Hockey Queensland Trials in their respective age divisions. Currently, a total of 29 athletes are involved in the Gold academy. Both the Gold and Blue Academy gives opportunity for coaches at various levels to become part of the coaching and help develop their knowledge and coaching skills.

The Academy further provided opportunity for Hockey Queensland High Performance Manager Matt Wells to work with coaches and athletes within the academy. Matt Wells started by giving individual feedback to coaches assisting in the U13 Blue academy, followed by a coaches workshop attended by 27 coaches and players. Matt Wells shared his knowledge on team cultures and expectations of players, presented on different playing structures and positions used within Hockey at a national and international stage.

Cristy Pointing (Stingers)

Mili Arrotea (CHA Representative)
Kylie & Brendon McAlister (Souths)

Mikala Duda & Jen Shannon (Saints)
Simon Smyth (Brothers)

2020 End of Season Report... 'The culture of our association is positive and encouraging and our Junior Committee remains fervent in uniting our efforts for the betterment and enhancement of junior hockey in our region with the 2021 season looking set to be one of opportunity, collaboration and growth'.

2021 End of Season Report... mission achieved!

The Junior Advisory Group alongside the incredible Mili and amazing crew at CHA have dedicated themselves throughout the season to the successful running of the P Competition. From the beginning of the year the Clubs supported the opportunities that CHA presented to the community and over 1500 children were engaged in our sport. Coming from the perspective that we were rebuilding from a COVID impacted 2020 season, the participation in these opportunities was a fantastic result.

2021 Sign On Day

21 schools and 1551 students were visited in T1.

208 participants attended Holy Cross, Pezzutti Park and Cairns Hockey events. 59 of those 208 registered to play hockey in the P Competition 2021 season. From the commencement of the season in April, we were pleased to see that everyone's hard work during the Term 1 recruitment period had resulted in a 30% increase in the P12 and P56 registrations and P34 had also slightly increased from the 2020 season.

Junior Outdoor Season Registrations

12 94 participants
P34 99 participants
P56 147 participants

These numbers enabled us to deliver a north and south side P12 and P34 competition again at Pezzutti Park and CHA. The south side teams joined in to the north side competition at the beginning of July and we all finished the P12 and P34 season combined. We finished our P12 and P34 season with a dress up theme of 'who you want to be when you grow up!' and this was an awesome way end to our 2021 season!

CHA delivered some incredible opportunities to the community throughout the winter season to continue engaging new and existing players to our sport. In doing so, many assistant coaches were brought in and upskilled and the relationship between schools and CHA has grown. These opportunities included taking hockey to the schools in After School Programs, attracting kids to the CHA North Cairns facility with the School Holiday Clinics (which were extremely popular and very well attended) and additionally offering a Development Program and Summer 6's game format to target new and beginner players from 7 - 14 years of age.

After School Programs

7 x 'After School Programs' were delivered in St Michael's, Redlynch SS, Freshwater SS, St Joseph's, St Andrew's, Holy Cross and OLHOC primary schools.

156 students participated in the program with 14 assistant coaches involved.

School Holiday Programs at Cairns Hockey

2 days were offered in the April school holidays and 3 days were offered in the June/July break. 172 participants over the 5 days with 9 assistant coaches were involved.

Development Programs at Cairns Hockey

- Development Program + Summer 6's in Term 1 + Term 4.

30 participants attended with 15 beginner players and 2 assistant coaches involved.

- Development Program Term 2 + Term 3.

19 participants attended with 9 beginners and 2 assistant coaches involved.

It was exciting to see that 3 participants chose to register to play in the competitive season.

Mili, the team at CHA and the many Club volunteers have worked tirelessly to create and strengthen our relationship within our region's primary schools. Due to this massive effort, CHA was able to offer a primary school carnival that incredibly enticed 30 teams to attend. This event was very well received and I believe will be even bigger in 2022. We would like to thank the many volunteers that offered their assistance to make this day such a great success!

A trial and selection process offered to our registered U11 and U13 players presented an opportunity to represent our region in hockey. It was an exceptional effort to send teams away in both age groups and we offer our sincere thanks to all of the players, coaches and managers, umpires and officials, families and friends for attending and supporting these annual events.

Our U11 and U13 Cairns Representative Teams

1 x Boys and 2 x Girls Under 11 teams travelled to Mackay.

3 x Under 13 Girls teams travelled to Gympie for the State Championships.

2 x Under 13 Boys teams travelled to Townsville for the State Championships.

In addition to the State Championships, our U11 and U13 representative sides travelled to Townsville to participate in the Hawthorn Shield for a fantastic weekend of hockey.

In a great initiative, CHA delivered two coaching sessions which were open to parents and the P12 and P34 Club coaches. Both the north and south side facilities each received a session. These were offered directly after the P12 and P34 games had finished on a Friday evening to capitalise on attendance and were very well received. It would be great to offer something similar to this again in the 2022 season.

With the introduction of the Blue Academy, CHA sought to provide a unique opportunity in the off-season to improve players hockey skills in the Under 13 age group. These sessions have over 30 participants attend each week and include the upskilling of interested Club and representative coaches and have provided inspiring opportunities to meet visiting international players and coaches as well.

We would like to acknowledge the Officiating Committee for their efforts in the organisation and mentoring of junior umpires throughout the 2021 season. We would like to especially thank Brendon McAlister for his time running umpiring sessions to our youngest umpires on a Friday evening, directly after the P12 and P34 games. These 15 minute 'beginner' sessions encouraged our youthful umpires in a relatable, encouraging manner and were well attended and enjoyed.

On behalf of CHA, we would like to sincerely thank the members of our advisory group and their Clubs, who show up each and every week to ensure the success of our junior competition, your time and efforts are invaluable to this association!

Finally, our group would like to formally acknowledge the outstanding work and efforts of Mili Arrotea and the impact she has had on our Junior Competition in Cairns. We are devastated to be losing her vibrant personality and incredible coaching abilities for our juniors but wish her all the very best success in her future endeavours... we will miss you Mili!

I'm extremely proud to have been a part of the CHA team offering junior hockey to the Cairns community in 2021 and look forward to an exciting year ahead for the 2022 season.

Karen Fry

Junior Chair

Junior Advisory Group 2021 Winter Season

Officiating Advisory | 2021

Another productive year for the Officiating arm of our sport. The committee was successful in securing two Qld Hockey Mentors to assist in the development of our local members. In February we welcomed Umpire Mentor Aaron Gotting back to Cairns to deliver workshops with both our junior and senior umpires and provide onfield coaching as part of the preseason competition. In March we welcomed Technical Official Mentor Brent Brown who ran both a Level 0 and Level 1 Technical Officials course for members. There was certainly strength and enthusiasm in numbers within the junior umpire ranks who were once again supported by a small but committed group of adult mentors each Saturday morning.

2021 saw the inaugural Junior Umpire Scholarship program rolled out with 6 recipients:

Jessica Clarke (upgraded to Level 1)
Dannan Findlay (upgraded to Level 1)
Tara Fullerton (upgraded to Level 1)
Isabelle McConnell
Daisy Smith
Malik Smith

All six achieved improved outcomes in their skill set and experience, umpiring at local and representative level and assisting with mentoring of junior umpires.

Representative Umpires

2021 saw the largest contingent of umpires represent Cairns and Peninsula.

Age group	Cairns
U11	Kaelen Overlack Daisy Smith
U13	Malik Smith Bodhi Williams-Carey Isabelle McConnell Sierra Squire
U15	Jesse Folpp (Div 1 Grand Final) Gordon Lavarling Jessica Clarke (Div 1 Grand Final) Dannan Findlay (Div 1 Grand Final)
U18	Emma Reiha Tara Fullerton
Masters Women	Ray Bolton

Age Group	Peninsula
10-12yrs	Lacey Walters
13-19yrs	Tara Fullerton (Grand Final and upgraded to Level 1) Bruce Hockey Brendan Hoff Cath Reiha Jessica Clarke (3 vs 4 Final) Jesse Folpp (3 vs 4 Final) Emma Reiha (upgraded to Level 1)

Technical Officials

Age group	Cairns
U15	Janice Noonan
U18	Tanya Findlay (Div 1 Grand Final) Kylie Fullerton (Div 1 Grand final)
Masters Women	Kathy King Janice Noonan

Indoor - Umpires

Age group	Cairns
U13	Kira O'Connor (Div 1 Final)
U15	Kaylah Devlin
U18	Brendan Hoff

Hawthorn

Whilst we were unable to retain the Shield, our umpires benefited from the representative experience and shared coaching whilst umpiring in Townsville. Thank you to everyone who put their hand up to help our teams out from U11 through to Masters covering 38 games over the weekend.

Ray Bolton	Kira O'Connor
Jessica Clarke	Kaelen Overlack
Dannan Findlay	Cath Reiha
Jesse Folpp	Emma Reiha
Karen Fry	Hayden Reiha
Harry Gould	Malik Smith
Bruce Hockey	Lacey Walters
Gordon Lavarling	Bodhi Williams-Carey
Isabelle McConnell	

Thank you to our Umpire Assessors: Mel Craig, Bruce Hockey and Brendan Hoff who attended games, providing feedback, coaching and assessment sheets to assist our Junior Umpires to continue to develop their skills and knowledge. To our 'regular' mentors on a Saturday morning of Kirk Findlay, Kathy King, Kylie Fullerton, Dannan Findlay and Tanya Findlay – thank you for your commitment and support of our juniors in developing confidence and skills and contributing in part to the strength of the junior competition working towards consistency in the application of rules and decision making.

Community Badge:

Lauren Arri	Kaelen Overlack
Eadie Coghlan	Giaan Tippet
Kaitlin Dennis	Shyla Reddcliffe
Oliver Donnelly	Zara Selvers
Robert Gould	Harriet Reeves
Gordon Lavarling	Emily Viewers
Caleb Marou	Ashton Winkler
Isabelle McConnell	

Community Advanced:

Daniel Courtney

Level 1:

Jessica Clarke	Tara Fullerton
Jesse Folpp	Emma Reiha
Dannan Findlay	

We also had two Level 1 Technical Officials awarded to Kylie Fullerton and Tanya Findlay for their performances at the U18 Girls State Championships hosted by Townsville in June.

Workshops

Saturday morning workshops were held for junior umpires and the committee has identified that short sessions need to be scheduled on a regular basis for 2022. Thanks to Brendan McAlister for running Friday afternoon sessions for our P12/P34 umpires during Term 3 – looking forward to the next generation applying their skills on a full field on Saturday mornings next year.

Uniforms

New umpire shirts were provided to all umpires who have achieved their Community onfield assessment. Thanks to our sponsors Hockey World for their ongoing support – the shirts have proved to be very popular.

Finally, thank you to the committee of Terry Brodin, Mel Craig, Kylie Fullerton, David Mc Neil, Janice Noonan and Sonja Noonan for their ongoing support, advice and commitment to the development and support of the officiating arm of our sport.

Tanya Findlay
Chair
Officiating Committee

Saints Hockey Report | 2021

2020 was certainly the toughest year we have ever faced as a hockey club and I'm pleased to report that we weathered the storm and came into the 2021 season stronger than ever.

A huge thanks goes to our volunteers, members, sponsors & supporters, and our professional, passionate & dedicated Saints committee who have been unfailing in their tireless support to get us through. Special mention of thanks to all our sponsors for 2021 including our major sponsors Domino's and E Auto Mechanic Cairns. We look forward to having all sponsors on-board for future seasons.

Once again in 2021 the club applied and were successful in two separate government Grants, the Gambling Community Benefit Fund and the Active Restart Grant both assisted our club with the purchase of much needed equipment to help enhance our club for its players/members.

We are a proud family club. We have many whole families involved which is evidenced by the successful integration of seniors/juniors, men/women & boys/girls players & teams within the club. Congratulations to all our members, juniors, seniors or Masters that have been selected in representative teams this year either at School or State levels.

After coming off the year that was 2020 Saints again were successful in 2021 with 27 teams taking to the field from junior players right through to A Grade, with the following on-field team achievements.

- 8 teams were successful in making a Grand final
- Of those 8 teams Saints were lucky enough to become Champions in 3 of those games.
 - P5/6 girls Champions
 - U14B girls Champions – Saints V Saints
 - C Grade Men's Champions

- + Our P-6 divisions were lucky to retain most of their players from the 2020 season.
- + P-4 on Friday nights Saints fielded 8 teams.
- + On Saturday morning Saints fielded 4 girls and 1 boy 5/6 team.
- + Success was had across all junior teams with friendship, fun and fitness being what Saints measure success as for our junior players.

Our Secondary to Seniors competition were also lucky to retain most of their players. That saw Saints field 6 teams in the Senior competition and 8 teams in the Secondary competition.

I'd like to thank the entire Committee who do a tremendous amount of work, most of it behind the scenes to make sure the teams we have make it on the park each week, to meet the requirements of Cairns Hockey Association and to ensure we have the right administration to help the club be successful. The Club is always looking for people willing to be involved. If there is something you'd like to do, a role can be found!

My final thanks and wishes are to the parents, partners, family, friends – who supported us during this season. I hope you and your family have a safe holiday season and a wonderful New Year. Thanks again for your participation, support, and passion.

Souths Hockey Report | 2021

2021 - Club of the Year! With an influx of new members, and the return of players from time off due to Covid, we were ready to start the Souths hockey campaign from the very start. Many curve balls were to be navigated along the way, and 2021 proved to be a most challenging year for the committee on and off the field. Passion, grit, lots of training and many social occasions were a key part of the success of our teams.

A major achievement for our club this year came about due to the participation of all club members – it takes the whole tribe to be named Club of the Year. Souths had 11 teams in the 16 Grand Finals, which is an incredible milestone and a situation we have never been in before. 7 of those teams were Minor Premiers – an outstanding achievement in itself reflecting on their performance of the whole season. Congratulations to our successful premiership winners:

- A Grade Women (Minor Premiers)
- A Grade Men (Minor Premiers)
- B Grade Women
- Masters Ladies Red (Minor Premiers)
- U14A Girls (Minor Premiers)
- U14 Boys (Minor Premiers)
- P56 Boys Red (Minor Premiers)

For the committee, sub committees, coaches, managers and other volunteers who stepped up this year – they cannot be thanked and acknowledged enough. Their role of teacher, mentor, counsellor, protector, mediator, and friend is of such importance and cannot ever be understated. Our club could not exist without volunteer support, and for those who repeatedly put their hands up to assist (often in more than one role), we sincerely hope they recognise the true value of their worth. Souths volunteer base is a positive trademark we enjoy and hope to continue.

We would like to thank our sponsors: Fowler's Group and EDMS (Major Sponsors), and Richardson's Electrical and Dawsons Engineering (Medium Sponsors). Souths is also fortunate to continue a sponsorship agreement with Hockeyworld throughout the season, and thank Kewarra Beach Family Store for generous donations throughout the year. We also take the time to extend our thanks to Cairns Hockey and all their hard work to deliver a successful competition.

Overall, 2021, ended on a positive note for Souths. Whilst we were competitively successful, we also are extremely proud of all our players, families and teams from our Preppies right up to Masters. To be a great club isn't based on the medal count, it is built through members, teamwork and relationships. We look towards 2022 with the focus to continue to strive to develop a club culture we can be proud of. Players, families and supporters of our club should be acknowledged for their positive contribution in making us what we wish to be. 2022 will have a very strong focus on getting involved, moving forward and most of all, focusing on the fun of a game we all love!! We look forward to 2022 and seeing everyone out and about at the grounds

Brothers Hockey | 2021

2021 continued to be another tough year with the pandemic and all its challenges.

Attracting a major shirt sponsor was a highlight for Brothers and we are currently looking for a major club sponsor for 2022. We received a good amount of player registrations for the year including P1, P3, & P4 divisions. Senior women registrations continued to be a struggle and B-grade ladies were a ghost team.

Strong growth in the C- grade men's division for the year and all men's divisions made the grand final. A solid commitment to officiating from BHC members and players made the committee proud and hopeful of a similar commitment going into 2022.

Our major fundraiser "Troppo's Fishing Competition" was successful with fantastic prizes from the local community and continues to grow each year. The new and improved works to the clubhouse have increased our ability to hold bigger events and therefore more opportunities to raise much needed funds for BHC.

The introduction of a social fitness club for non-playing members will help to attract past players back to the sport especially in the vets competition.

Brothers are happy with the year and hope to build on the successes of 2021. We would like to thank the Cairns Hockey staff for all their hard work throughout the year and the time that the board members volunteer and we look forward to seeing you all back on the field in 2022.

Kind Regards
John Winkel
President

Trinity Stingers Report | 2021

Depending on what measure is used, Trinity Stingers had a terrible year or a great year. On the field we had only 4 teams make Grand Finals with only 1 team successful. Congratulations to Masters Women, U14A Girls and C Purple Women for consistency throughout the season; extra congratulations to U18 Men and Cath Reihia for their undefeated season. We look forward to them playing in senior teams.

Stingers were able to produce 10 senior teams and 11 junior teams- this meant that we had at least one team in every division with 2 in Masters Men, C Ladies and P12. Thank you to our Coaches and Managers who provided hours of training and game support. We need to continue to grow the club to ensure we have players for all teams. This includes our continuing relationship with ASPIRE.

Stingers players participated in many levels of representative games at state championships- U11 intercity, U13 boys and girls, U15 boys and girls, U18 boys and girls, Masters men and women as well as Peninsula boys and girls teams. A number of players were selected into Queensland squads. Stingers provided umpires and technical officials for club games, intercity games, representative games, Masters Games and QSS State Championships. Thank you to our umpires, techs and scorers who were there every game. We need to continue to grow our pool of umpires and techs.

If the field our club was highly successful- growth in our bank balance through fundraising. We held 6 Bunnings BBQs across the Year- February, March, May, June, August, October as well as 4 Red Beret Raffles. Thank you to our BBQ volunteers and Raffleers, you made over \$6000 for our club. We renewed our sponsorship deals and sourced 3 new sponsors- there is still space for more sponsors if you're interested. Thank you to our continuing sponsors iLEC, Sheridan Meats, InFocus, Hydraulink, Simonis Fencing, GardenSaks and welcome to our new sponsors GGI, A1 BondBeams Pumping and DWS Lawn and Garden Services

We received a grant to purchase 4 kits of junior goalie gear; we also updated our facemasks. Our new club shirts look great and we have ordered new playing uniforms for 12 teams. Our club acknowledged the long standing work by Barbie Simonis, many years of playing, managing, coaching, organising raffles, cooking sausages and cupcakes by awarding Life Membership. Thank you Barbie.

Our committee has shown the strength of our club with a focus on player needs, participation and fun. Thank you to our great committee - Rodney, Anita, Jen, Christina, Kaitlyn, Tiff, Cristy, Paula, Kylie who have worked across 12 months to make Trinity Stingers successful.

Other Highlights
